U.S. House of Representatives  
Washington, DC 20515

Dear Members of Congress:

National Farmers Union (NFU) strongly urges you to vote against the rule and final passage of H.R. 2642, a bill that divorces the nutrition title from the rest of the farm bill and repeals permanent law.

The two largest general farm organizations in the country have spoken out multiple times in opposition to separating nutrition programs from the farm bill. Splitting the bill is a shortsighted strategy that would effectively undermine the long-standing bipartisan coalition of rural and urban members that have traditionally supported passage of a unified bill. We are also very concerned that including a provision that would repeal permanent law did not receive any outside scrutiny or ability to weigh in through hearings. Repealing permanent law would remove the element in the bill which would force Congress to act on a piece of legislation that provides a safety net for farmers, ranchers, the food insecure and protects our nation's natural resources.

Last week, NFU led a coalition of 531 other organizations in writing a letter calling for the House of Representatives not to split the bill. This broad-based coalition, composed of agriculture, conservation, rural development, finance, forestry, energy and crop insurance companies and organizations is now being undermined by extreme partisan political organizations that do not represent constituents affected by the farm bill.

Thank you for your consideration of this letter. We urge you to vote against the rule and final passage of H.R. 2642 and encourage leadership to bring a unified bill to the floor as soon as possible.

Sincerely,

Roger Johnson  
President
