Hubert K. Seymour

Hubert K. Seymour was a leader in Farmers Union throughout his life at both the state and national levels. He served the Illinois Farmers Union as secretary-treasurer for eight years and vice president for 12 years before he stepped down in 1990. At the national level, he served and participated in a variety of ways. Seymour traveled each year to the National Farmers Union Convention to hear the premier agricultural speakers and congregate with farm leaders. This was an opportunity for him to voice his concerns and offer solutions to the challenges family farmers faced.

Seymour was actively involved in the politics of agriculture and dedicated to the fight for parity. In addition to the leadership provided within Farmers Union, Seymour also served on a number of agricultural advisory boards within the state of Illinois and on an advisory committee under former President Jimmy Carter's Administration.

Throughout his service as a leader, he did much to promote and protect the rights of family farmers throughout Illinois and the United States.. He is remembered with great affection and this scholarship represents his outstanding service.

Hubert K. Seymour died in 1994 from brain cancer at the age of 72. He farmed full-time until his diagnosis and surgery in mid-June of 1994. This scholarship is his family's way of paying a living tribute to his dedication, hard work and commitment to Farmers Union and the family farmer.
