

The future of family agriculture.

Farmers Union Next Generation is a cohesive suite of Farmers Union programming that is focused on connecting family farmers ages 21–45 and building the skills they need to help their farm operation and community thrive.

nfu.org/next-gen

Beginning Farmer Institute

Learn how to improve the health of your farm or ranch business in this 10-week intensive course for young and beginning farmers and meet a network of enthusiastic agribusiness professionals.

Summer Socials

Enjoy a chance to connect, unwind, and celebrate with friends, family, and fellow farmers close to home.

NextGen Receptions

Whether you're at NFU's Women's Conference, National Convention, or Legislative Fly-In, a NextGen reception is the place to meet family farmers and ranchers from across the country and build community. Check the agenda at your next NFU event.

Advocacy Training

Hone your communication skills in this two-day program with a close-knit cohort and start building your advocacy portfolio.
